The Book of Allah
is like an ocean.

Some people collect pebbles
and shells from its shores.
They don't go too far into it
and so they don't see the treasures in it

Some people, like pearl
They get pearls of
and many different types
gems of guidance.

divers, go into it.
wisdom from it
of precious

Reflecting on the Holy Quran (Tadabbur)

We cannot completely understand the treasures of the Quran unless we think about what it says and absorb the teachings with our minds and hearts.

Allah says in the Holy Quran:

كِتَابٌ أَنْزَلْنَاهُ إِلَيْكَ مُبَارَكٌ لِيَدَّبَّرُوا آيَاتِهِ وَلِيَتَذَكَّرَ أُولُو الْأَلْبَابِ

A blessed Book that We have revealed to you they may ponder upon its verses so that those who have understood may be mindful.

Sura Sad, 38:29

أَفَلَا يَتَدَبَّرُونَ الْقُرْآنَ أَمْ عَلَى قُلُوبٍ أَقْفَالُهَا

Will they not then ponder over the Qur'an, or do they have locks on the hearts

Sura Muhammad, 47:24

We need to do a **personal study** of the Quran. How can we do that?
