

## **ALI 383 - The Prophet's Hadith to Abu Dhar**

### **Excerpts from the Hadith for Session Four**

O Abu Dharr! Soften your voice [when you are] near corpses or at war with the enemies of religion and at the time of reciting the Qur'an.

O Abu Dharr! When you are escorting a dead body, busy your intellect with meditation and humility, know that you too will go back to Him.

O Abu Dharr! Know that salt is the preserver [or medicine] of everything corruptible, but once salt itself becomes corrupt, there is no treatment [or preserver] for it.

Know that there are two unacceptable traits among you: one is laughter out of surprise and wonder (laughter that has no cause) and the other is (deliberate) laziness and idleness which is not a result of forgetfulness and ignorance
