Tuesdays Sep 29 to Dec 1, 2023, at Masumeen Islamic Centre

Description: Quranic Arabic helps Muslims understand the language of the Quran. In this course, we will learn simple Quranic vocabulary and grammar. Students will need to put in an average of three hours a week to work on the course. In this semester, we will identify nouns and their different forms, a few verbs, and particles from the oft recited Quranic Sūras. We will use *Qur'anic Language Made Easy* by Hafiza Iffath Hasan as the main text. During the class, we will often refer to *The Qur'an: With a Phrase-by-Phrase English Translation* by Ali Quli Qarai. Occasionally we may take passages from *Access to Qur'anic Arabic* by AbdulWahid Hamid.
